This year Bravissimi is supporting the Fondazione Malagutti by entering in the International Drawing Competition. Fondazione Malagutti is an Italian foundation supporting

children's rights worldwide.

Its aim is to promote childhood rights and to protect children against any form of violence, abuse organisations and institutions.

Their goal is to sustain family, to promote culture, to favour artistic expression, creativity, art, beauty in order to assure a harmonic growth of children. We are showing our support by entering the design competition and submitting a drawing by your child to the Fondazione Malagutti. The drawing can be of any theme, size and form. Children from the ages of 3 to 14 can participate. The drawing will be submitted with a details form stating the child's name, school and country. The drawings need to be submitted and sent by the 31st of October 2013. On the 17th of November in Mantova, Italy there will be a celebration and all the participants' drawings will be exposed and the winning children will be awarded toys and educational material. These will be posted www.dirittiacolori.it
