Promoted by:

FONDAZIONE MALAGUTTI
Onlus

Fondazione Malagutti onlus proposes initiatives for the prevention and the education of young people with a specific care to their creative, expressive and the cultural development. It promotes some projects addressed to children's rights as well as their education and well-being.

In its protected facilities, it welcomes children, teens and mothers with their sons/daughters, without any discrimination about their religion, nationality or ethnic group, who are victims of violences, mistreatments, abuses or without any parental references.

It works for the First Aid H24 service addressed to emergency cases pointed out by Police and Institutions.
